

ANOTHER FIRST FROM FREIGHTLINER

Introducing

24 **7**
D I R E C T 

The **only** 24/7 technical support directly from the manufacturer.

Freightliner Custom Chassis is rolling out a new program designed to give your customers unsurpassed peace of mind. With 24/7 Direct, they have access to around-the-clock support with actual Freightliner personnel who are trained to respond to all chassis inquiries and technical issues—and even arrange for roadside assistance, should it be necessary.

But that's just the beginning...
